

	Monday 13/09	Tuesday 14/09	Wednesday 15/09	Thursday 16/09	Friday 17/09
9h		RAPID FIRE POSTER PRESENTATIONS		RAPID FIRE POSTER PRESENTATIONS	
10h		PLENARY 3 Facing climate changes: new paradigms		PLENARY 6 Sustainable use of plants + Invasive species + CAP	
11h		Coffee Break		Coffee Break	
12h		RAPID FIRE POSTER PRESENTATIONS		RAPID FIRE POSTER PRESENTATIONS	
13h		PLENARY 4 Rewilding: from species to habitat restoration		PLENARY 7 Beyond the walls of botanists and conservationists	
13h		LUNCH + POSTER SESSION		LUNCH + POSTER SESSION	
14h	Opening Ceremony Official/VIP speech, PLANTA EUROPA awards...	WORKSHOP 1A Are all branches of the tree of Life fairly studied? Bridging the gaps of knowledge, new tools (drone, barcoding, artificial intelligence). Focusing on i.e. marine plant diversity...	WORKSHOP 1B Databases (Plant traits, translocations...)	WORKSHOP 1C Natura2000, Emerald network, Important Plant Areas, Plant Micro-Reserves, European Diploma for Protected Areas, IUCN Green List: achievements, complementarity and links, issues...	WORKSHOP 1D Greening the cities
15h	PLENARY 1 New decade, new stakes. Report back from high level discussions (IUCN World Congress, Bern Convention Standing Committee...). Conclusions of the 2nd European Plant Conservation Strategy, Plant Conservation Report 2020, State of nature in the EU...			WORKSHOP 3A Native plants for landscaping	WORKSHOP 3B IAS: from European regulation to local actions
16h	Coffee Break	WORKSHOP 2A Role of seed banks in a changing world (Favoring cost- and energy-efficient facilities, Implementation for the conservation at the habitat level, Genetic diversity assessment of seed-banked species)	WORKSHOP 2B Species restoration: from case-studies to best practices, Ecological engineering	WORKSHOP 2C In/quasi/ex situ, Assisted migration, Evolutionary rescue...	WORKSHOP 2D Taxonomy (new challenges, role of genetic variability on species conservation plans...)
17h	RAPID FIRE POSTER PRESENTATIONS	Coffee Break		WORKSHOP 4A Updating the European Plant Conservation Strategy for the period 2021 to 2030, within a vision for European plants up to 2050	WORKSHOP 4B Citizen sciences, reconciling ecology, counteracting plant blindness
18h	PLENARY 2 Knowing our natural heritage, European flora atlas, Vegetation databases, European contribution to WFO...	PLENARY 5		WORKSHOP 4C Labeling events throughout Europe (PlantRace, Fascination of Plant Day...)	WORKSHOP 4D Using social media to raise awareness
19h	Welcome reception 19h - 20h	WORKSHOP REPORT BACK SESSION		Coffee Break	
20h		LUNCH + POSTER SESSION		PLENARY 8 WORKSHOP REPORT BACK SESSION	
20h				Farewell Dinner 20h - 23h	
<b>T O U R S</b>					
Networking, Régional Agendas, towards a new European Plant Conservation Strategy / response to GSPC...					
<b>CLOSING CEREMONY</b> Adoption of the Paris Declaration, closing speech, presentation of the new PLANTA EUROPA board
